

# 2016 Kids' Watches & Clocks

## Watches

LEGO® Watches are perfect for LEGO fans of all ages!

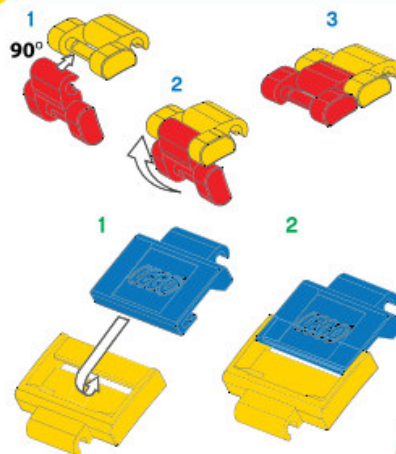

Our quality products are built on the distinctive values of the LEGO brand, encouraging creativity, imagination and learning all with a heavy dose of fun!

Our product range supports core LEGO themes, with something for every young LEGO fan. With interchangeable links, thousands of colour combinations can be created: children can really create and build their own watch!

The stud links can also be used in conjunction with LEGO toys, encouraging play to make learning the time fun!

Why not collect them all?
